

Route of [Nissenken] Phnom Penh - Ho Chi Minh

Reception office

Phnom Penh Branch has been established

The testing will be handled in Ho Chi Minh Laboratory

Nissenken has established **Phnom Penh Branch** as a **test reception office** in order to help manufacturing industries in Cambodia with quality control. Phnom Penh Branch is set up in Phnom Penh inspection center. We receive applications, samples and transport them to Ho Chi Minh Laboratory to carry out the test. Please feel free to contact us if you have any inquiries.

- Delivery date : We deliver test results to clients **3 business days** after receptions.
- Test items : Certain aromatic amine (Azo test), Free formaldehyde, Fiber identification, Mixture ratio, Color fastness, Physical testing, Dimension Stability, Functionality (Water absorption, Quick-drying property, Flammability, Water absorption, etc.), etc.
- Staff :
